**U.S. Retirement Partners Firm Launches New Website**

**ISELIN, N.J., April 15, 2010** – U.S. Retirement Partners (USRP) announces that Retirement Planning Associates (RPA), a Regional Partner Firm in their 403(b) distribution network, has launched their new website (<http://rpaeducator.com/>). The website was designed to assist K-12 education employees and other individuals in making informed decisions about their retirement planning. RPA is the largest independent 403(b) specialist in Florida and one of the top five nationally.

The RPA website focuses on areas of particular interest to educators, featuring information regarding the *Florida Retirement System (FRS)*, the *BENCOR FICA Alternative and Special Pay Plans*, and the *Deferred Retirement Option Program (D.R.O.P.)*, according to Joe Avallone, David Payne and Michael Borgailo, co-founders of RPA.

In addition, RPA Advisors have “Advisor-only” access that provides information and resources that are crucial to the growth of their practice. Some Advisor website features are: industry-related news, compliance information and continuing education, as well as a link to the very robust USRP website.

“We are very pleased to assist RPA in their website design and development. One of our top priorities is to provide our Partners with state-of-the-art resources,” said Robert C. Dughi, Executive Chairman of USRP.
