Titan Benefits Joins U.S. Employee Benefits Services Group

A Leading Employee Benefits Firm in Western and Central New York

Iselin, NJ, December 4, 2012 – U.S. Retirement Partners (USRP) announces the acquisition of its 24th Partner Firm, Titan Insurance and Employee Benefits Agency (Titan) of Rochester, NY, which is the 6th to join its U.S. Employee Benefits Services Group (USEBSG) division. Titan will be an integral part of the USRP/USEBSG national network of benefits and retirement plan providers serving the K-12 public school district market.

Founded in 2006 by Michael Gurowski, Titan offers creative insurance and employee benefits solutions to over 600 employer clients. In addition to its Rochester headquarters, the firm has offices in Canandaigua and Syracuse.

“Titan was founded because we knew that one size didn’t fit all, especially when it comes to employee benefits and insurance products. Considering the increased complexities of the healthcare system, the rising costs of healthcare, and the importance of employee benefits in promoting employee satisfaction; providing strategy, service and savings are key to our clients’ future business success,” said Mr. Gurowski, Titan President.

“Our new partnership with Titan provides us with an immediate benefits ‘footprint’ in New York. Their service model and level of expertise will help us develop an increased presence throughout all of New York,” said Mark M. Skinner, President and CEO of USRP.
